What to Wear

- I prefer pink ballet, black jazz, and black tap shoes. Dance Unique on Floma has the shoes I prefer registered. You do not HAVE to buy your shoes from there, though!
- All dancers must wear tights and a leotard (unless they are ONLY taking a jazz class). Cheer (sophie) shorts, jazz shorts, jazz pants, and ballet skirts are acceptable to be worn over leotards. No baggie pants/shorts will be permitted.
- Hair MUST be worn in a bun, braid, or ponytail!
- My daytime pre-R class is allowed to wear anything they like!!! (tights, no tights, tutus, plain leotard- whatever makes them happy!) A skirted leotard with no tights and with socks is a great choice if you'd like my opinion, though!
- Tumbling Class must wear a leotard or unitard (no 2 piece outfits). No shoes are required.
- Dancers must wear street shoes to class and bring their dance shoes in a separate bag labeled with their name.
